A summer internship spent assisting the store manager to organize stock and working with money.

- Worked as store clerk, trusted with many sales at front register and helped with organizing orders • Assisted customers by answering questions and fulfilling requests.
- Inspected work areas for cleanliness and obstacles and removed cartons and boxes to keep work areas organized and hazard-free.

## ACTIVITIES & HONORS

---

- **W.E.B. Du Bois Presidential Scholarship Recipient** – Research and development of capstone project focused on addressing social and economic issues in Black Belt communities. We also reach out directly to high school students by visiting them to give advice to help guide their next steps in life.
- **2025 Hackathon** — Collaborated in a 24-hour challenge to design and prototype a functional app addressing a real-world problem.
- **Peer-to-Peer Mentor** — Provided academic and social support to fellow students to promote student success and engagement.
- **NSBE Organization Member** — Participated in STEM leadership activities, networking, and community outreach. As a member of NSBE I am expected to prepare materials and work with students from several high schools, giving them early exposure to better prepare for the STEM field and potential projects they may be working with.
- **E-Sports Team** — Competed in organized digital gaming, fostering strategic thinking and teamwork.
- **YouthForce NOLA Alumni** — Completed career-readiness training focused on professional development and essential workplace skills. Soft skill development including developing your personal mindset, planning for success, social awareness, communication, collaboration, and problem-solving skills. The network follows you and you can always get in touch for an opportunity.
